## REPRODUCIBLE

## Forgive Me, Please Template

| Name:  | Date:               |
|--|---------------------|
| Others involved:                                   |                     |
| I acted inappropriately when I                     |                     |
|  |                     |
|  |                     |
|  |                     |
| Looking back at the incident, now I know I show    | uid nave            |
|  |                     |
|  |                     |
| I hurt other people around me by                   |                     |
|  |                     |
|  |                     |
|  |                     |
| This is what I'd like to say to make things right. |                     |
|  |                     |
|  |                     |
| Specific behaviors I will commit to are            |                     |
|  |                     |
|  |                     |
|  |                     |
