

## Learning-Target-Planning Template

Lesson Title and Date: \_\_\_\_\_

**Lesson Standards**

From the unit- or lesson-plan template, record the specific standards this lesson will address.

**Lesson KUD**

From the unit- or lesson-plan template, record the specific Know, Understand, or Do this lesson will address.

**K:**

**U:**

**D:**

**Content Target****Language Target****Social Target****Learning Target**

Write the learning target as it will appear in the lesson-plan template and on the board to focus the lesson. Use whatever structure (*Today I will . . . So that I can . . . I'll know it when . . . ; I can* statement; separate target statements; or other format as appropriate) best meets your students' needs.
