

## Activating Background Knowledge Strategy

**Directions:** Skim the assigned reading and note key features, such as the title, headings, images, and captions. Predict the focus (main idea) of the article and what you anticipate learning from the images and captions. Use the provided boxes to list specific features and write your initial thinking and predictions.

**Focus:**

<b>Feature 1:</b> _____	<b>Feature 2:</b> _____
<b>Feature 3:</b> _____	<b>Feature 4:</b> _____
